

SHANE LOCKHART

CYBERSECURITY STUDENT AND INVESTIGATIVE PROFESSIONAL

Deatsville, AL | shane@shanelockhart.pro | github.com/shanelockhart

PROFESSIONAL SUMMARY

Former criminal investigator and supervisor with a 15-year law enforcement career. Experienced in evidence analysis, interviewing, incident documentation, and team leadership. Currently pursuing a bachelor's degree in cybersecurity with a concentration in Generative AI, building skills through OSINT research, personal security labs, and AI-assisted web development. Brings investigative judgment and practical electrical troubleshooting experience to digital forensics, cybersecurity, and OSINT investigation roles in the private sector.

EDUCATION

Southern New Hampshire University

Expected graduation 2029

B.S. in Cybersecurity, concentration in Generative AI (in progress)

CORE SKILLS

Investigations: Evidence analysis, interviewing, records research, incident reports, confidential information handling

Technical: Open-source intelligence (OSINT), Microsoft Windows, HTML, CSS, JavaScript, GitHub, AI-assisted research

Developing skills: IT support, networking fundamentals, cybersecurity, digital forensics

TECHNICAL PROJECTS

Independent Web and AI Projects

2023 - Present

- Build and refine front-end websites and AI-assisted tools using HTML, CSS, and JavaScript.
- Develop OSINT search and case-organization tools through the Operators Logic project.
- Practice phishing analysis and browser-artifact investigation in a personal cybersecurity lab.

RELEVANT PROFESSIONAL EXPERIENCE

Chilton County Sheriff's Department

Feb 1999 - May 2014

Clanton, AL | Lieutenant Investigator, Patrol Supervisor, Jail Administrator

- Supervised four investigators while managing a caseload involving serious crimes, fraud, and identity theft.
- Conducted interviews, assessed conflicting accounts, collected evidence, and prepared reports, warrants, and case files.
- Coordinated with local, state, and federal agencies; trained personnel in evidence collection and investigative procedures.
- Managed correctional operations, staffing, and an annual budget exceeding \$1 million.
- Recognized as Investigator of the Year in 2013.

Wayne J. Griffin Electric, Inc.

Dec 2014 - Jul 2017

Pelham, AL | Apprentice Electrician

- Installed and maintained commercial wiring, panels, conduit, and equipment using drawings and electrical code specifications.
- Used electrical test equipment to identify faults; completed three years of apprenticeship training.
